## *Fall Into Some Fun, Cy-Fair!*

Hi again, Cy-Fair! Welcome to another issue of Cy-Fair Magazine. Whether you are hitting the back-to-school sales and getting little ones ready to head out to school again, or just returning from that last summer vacation, you'll love what we have in store for you this issue.

No one really likes for summer to end, especially the kids, but there are ways to make the school year fun. Our cover story, 'Three Cheers for Cy-Fair', page 22, shows how cheerleading can add some pep into your child's life. I wasn't a cheerleader, but seeing these girls in action at our cover shoot sure made me wish I had been!

There are other fun stories sure to make you cheer: a how-to on getting ready for homecoming, a spotlight on a local dance studio and another on Cy-Fair's very own community band, and a story about a local author that's also a librarian in Cy-Fair. We've even included the fall football schedule for Cy-Fair ISD, so you'll be sure to never miss a game! If you're a parent of school-age children, you might enjoy reading our education section, where you'll find out about the latest trend, 'redshirting', and learn how to bridge the gap between parents and teachers. Or, you might be ready

to re-organize the house now that the kids are gone for the day, and you'll want to read about 'Organizing 101'. And, all of us might like to know why living in Cypress is becoming all the rave. Or, if you'd like to learn about keeping your family healthy as we head into the fall months, our health section covers a variety of topics, including how to deal with sleep disorders.

I'm so excited to be on board for another great issue, and I hope you enjoy it as well. Don't forget to share your news, events, and photos by emailing us at [editor@cyfairmagazine.com](mailto:editor@cyfairmagazine.com).

I'll see you out and about!
